about this thing

The Transbay Creative Music Calendar is a volunteer-produced free monthly journal for non-commercial creative new music in the San Francisco Bay Area. In addition to our comprehensive listing of upcoming events, we publish articles and reviews about local music and the people who create it. We talk about a wide range of modern music, including: experimental, improvised, noise, electronic, free-jazz, outrock, 21st century compositions, and sonic art.

Each month, 1,000 copies of the Transbay are mailed to individuals and hand-delivered to over 45 performance venues and public locations throughout the Bay Area. Contact us for a FREE subscription!

Your kind donations help keep the Transbay alive and growing. Please send checks [payable to "Transbay Music Calendar"] to:
